Sherene McHENRY

THE People IQ ADVANTAGE®

DR. SHERENE McHENRY, CSP®

Talks that embolden leaders, teams, and individuals to create healthy cultures where *people and organizations flourish*.

Dr. Sherene McHenry works with organizations and associations who want to stop losing good people to burnout and poor leadership so they can build cultures where each individual flourishes, performance soars, and their best people stay.

Think PhD counselor meets America's Favorite Aunt.

Sherene has been studying what makes people tick since she was a kid offering marital advice before she could drive. A former graduate professor, Licensed Professional Counselor, and Certified Speaking Professional, she's spoken on three continents and authored *Navigate: Understanding the Five Types of People*.

Give me an hour, and I'll teach your audience skills that will last them a lifetime.

> "Sherene gave me an entirely fresh perspective on my role as a leader... **My management skills and my ability to motivate my staff improved immediately.** I invited Sherene to speak to the membership of my association. The audience was captivated throughout and the response was extremely positive.
